

# 7761433-00 | e-POI RF Module

---

ERA® Point of Interface RF Module

## Product Classification

|                      |                         |
|----------------------|-------------------------|
| <b>Product Type</b>  | Point of interface card |
| <b>Product Brand</b> | ERA®                    |

## General Specifications

|                                   |   |
|-----------------------------------|---|
| <b>Device Type</b>                | Attenuator  |
| <b>General Alarm</b>              | Integrated into management system                               |
| <b>Input Connector Interface</b>  | 4.3-10  |
| <b>Input Connector, quantity</b>  | 4   |
| <b>Management Interface</b>       | Integrated into management system                               |
| <b>Note</b>                       | The input connectors are located at the rear side of the module |
| <b>Output Connector Interface</b> | QMA   |
| <b>Output Connector, quantity</b> | 4   |

## Dimensions

|               |                     |
|---------------|---------------------|
| <b>Height</b> | 173.5 mm   6.831 in |
| <b>Width</b>  | 50 mm   1.969 in    |
| <b>Depth</b>  | 440 mm   17.323 in  |

## Packaging and Weights

|                      |                    |
|----------------------|--------------------|
| <b>Weight, gross</b> | 6.4 kg   14.11 lb  |
| <b>Weight, net</b>   | 5.1 kg   11.244 lb |
